## **Managed Messaging Expert Lucia Wagoner Joins Waypoint Solutions Group**

**CHARLOTTE, N.C., April 1, 2006** — Lucia Wagoner has joined Charlotte-based Waypoint Solutions Group as an Enterprise Messaging Administrator based in Jacksonville, Fla.

Waypoint Solutions Group, founded in 2003, is one of the Southeast's foremost providers of Active Directory, Managed Messaging, Systems Management and Web solutions to Fortune 1000 companies which have a regional, national, or international presence.

Through its Charlotte, N.C., headquarters and a branch office in Englishtown, N.J., Waypoint focuses on design, implementation, management, migration and web solutions for the Microsoft environment.

Wagoner brings to Waypoint extensive experience in large, comprehensive email systems, specific technologies such as BlackBerry messaging, and a breadth of troubleshooting experience. Her career includes six years' experience providing these services for major transportation and logistics firms with a global presence. She holds a bachelor's degree in Computer Science *cum laude* with a minor in Mathematics from Florida State University.

Along with Wagoner, Waypoint's principals possess more than 40 years' combined Information Technology experience. They have served customers in the transportation, military, medical and retail markets around the world in such diverse locations as Hong Kong, the Dominican Republic, Australia and the United Arab Emirates.
