Waypoint Solutions Group retains Gold Certified Microsoft Partnership

Advanced Infrastructure Solutions
Networking Infrastructure Solutions
Information Worker Solutions

CHARLOTTE, NC., May 1, 2007 - Waypoint Solutions Group today announced it has earned Gold Certified status in Microsoft Corp.'s Partner Program recognizing Waypoint's expertise and total impact in the technology marketplace for a second consecutive year.

As a Gold Certified Partner, Waypoint has demonstrated expertise with Microsoft technologies and proven ability to meet customer needs. Microsoft Gold Certified Partners receive a rich set of benefits including access, training, and support that gives them a competitive advantage in the marketplace.

Waypoint has completed infrastructure projects for a wide range of clients including CSX World Terminals, Dubai Ports World, DP World Americas, Horizon Lines, Partners In Care, and Florida Technology Management Services.

"We are extremely proud to have retained our Gold Certified status in the Microsoft Partner Program. The certified status allows us to undoubtedly promote our expertise and relationship with Microsoft to our customers," said Daniel R. Wilson, President of Waypoint Solutions Group. "The benefits provided through our Gold Certified membership will allow us to continue to develop the offerings that we provide to our customers."
