

Waypoint Solutions Group to Present at Upcoming MSP Alliance Summit

CHARLOTTE, NC – March 25, 2008 – Charlotte based Waypoint Solutions Group announced that founder and President Dan Wilson will be a keynote speaker and panelist at the upcoming MSP Alliance Managed Services Summit on Monday, March 31 and Tuesday, April 1 2008. The conference, the only official Managed Services Summit for the Managed Services Industry, will be held at the Westin hotel in downtown Atlanta, GA.

Wilson, with over 20 years of Information Technology experience, founded Waypoint Solutions Group in 2000. By providing customized technology solutions to businesses worldwide, Wilson has grown Waypoint to over 100 current clients. The net result for Waypoint customers is a dramatically improved IT infrastructure that speeds the flow of business.

Wilson will utilize his experience in presenting the topic “Selecting the Right Vendor,” at the upcoming MSP Alliance Managed Services Summit. This event provides education, networking, best practices and strategic business planning shared by veteran industry leaders from around the world.

“I’m looking forward to the Atlanta summit,” said Dan Wilson. “MSP Alliance provides a great platform for Information Technology leaders to come together and learn best practices and new innovational ideas from each other. I am honored that I have been asked to present.”

Waypoint was recently awarded a spot on the distinctive MSPmentor 100 list recognizing the top Managed Service Providers nationwide and for the past two years has been recognized as a Microsoft Gold Certified Partner, demonstrating dedicated focus to their Microsoft customers.

About Waypoint Solutions Group

Founded in 2000, Waypoint Solutions Group provides 24/7 customer focused, customizable Information Technology Managed Services and Project Management with expertise in Active Directory, Messaging, Systems Management and Web Solutions to companies worldwide.
