**WAYPOINT SOLUTIONS GROUP PRESIDENT RECOGNIZED AMONG WORLD'S TOP 250
MANAGED SERVICE PROVIDER EXECUTIVES**

Dan Wilson one of only two Charlotte-area MSP Executives Recognized in Annual MSPmentor
250 Survey

CHARLOTTE, NC – August 12, 2008 – Waypoint Solutions Group President Dan Wilson has been named to the **MSPmentor 250** by industry voice MSPmentor and Nine Lives Media Inc.

Each year, MSPMentor identifies the world's top managed service provider (MSP) executives, entrepreneurs and experts based on responses within more than 1,000 worldwide surveys from MSPs, software as a service (SaaS) experts, and other industry peers.

Wilson is one of only two Charlotte executives named to the MSPmentor 250. The survey also recognizes Waypoint Solutions as “the top-ranked MSP in North Carolina.”

MSPMentor operates the most recognized portal website for the MSP industry and is an acknowledged authority on the business. Each year, the group solicits surveys from its readership, from which it names its MSPmentor 250, based on criteria including:

- Third-party nominations,
- Financial track record,
- Participation in major MSP organizations and associations,
- Major industry honors as well as local association participation, and
- Recognized involvement in trends and developments across MSP and SaaS markets.

“I’m very honored to be recognized as part of the MSPmentor 250,” said Dan Wilson, president of Waypoint Solutions Group. “To be noted by my peers as well as the foremost industry group as someone who’s doing significant work to move managed services forward is very gratifying for me as well as for everyone at Waypoint.”

Earlier this year, Waypoint Solutions Group was the only Charlotte company named in the MSPmentor 100. This distinctive list recognizes IT managed service providers, integrators and consultants who vastly improve customer service for their clients.
